

ANNOUNCEMENT AND FIRST CALL FOR ABSTRACTS

NOSA Aerosol Symposium in Helsingør, Denmark, November 8-9, 2007

<http://www.dmu.dk/nosa2007>

NOSA – the Nordic Aerosol Society – will arrange a Nordic Aerosol Symposium in Helsingør November 8th-9th, 2007 at the conference center LO-skolen: <http://www.loskolen.dk/>. We invite all aerosol scientists in the Nordic countries as well as world-wide to participate in this symposium. The conference language will be English. The special focus of the symposium will be

Airborne nano-particles. New technologies and Impacts.

Plenary Lectures by invited speakers:

Peter McMurry (Univ. of Minnesota), **Andreas Mayer** (TTM, Switzerland),
Markus Kalberer (ETH Zurich) & **Lars Asking** (Novo Nordisk)

However, *contributions covering all aspects of aerosol science are welcome.*

You are invited to submit a two-page abstract according to the guidelines given in the Abstract Template (EAA format) which can be downloaded from the symposium web page. The deadline for the **abstract submission is September 24th** and please **register before October 5th, 2007**. You may present your work either orally or as a poster. Abstracts in PDF or Word format plus the abstract classification form can be submitted online at or directly via e-mail attachment to nosa2007@dmu.dk.

The conference fee is 2300 DKK. Students pay a reduced fee of 1350 DKK. Young aerosol scientists are highly encouraged to participate. The fee includes accommodation for one night (Nov. 8th) proceedings, refreshments during the symposium, and the conference dinner on the evening of Thursday November 8th. An online registration form can be found on the symposium web page <http://www.dmu.dk/nosa2007>.

Accommodation is pre-booked at the conference center LO-skolen and additional accommodation can be ordered for the night before the conference via the web-registration.

Wednesday November 7th, the Nordic Council of Ministers (NMR) is arranging a workshop on “**Organic particles in Nordic urban areas**” at the same location. The workshop is open to all interested scientists. Registration as well through our web page. Fee for NMR+NOSA: **3800 DKK**.

NOSA membership is not required for attending the conference, but it is encouraged. If you are not already a member of NOSA, you may register as a new member using the form at our homepage: <http://nuclearphysics.nuclear.lu.se/nosa/>

NOSA membership is free of charge, but it will nevertheless give you a discount on the Aerosol Conferences arranged by the European Aerosol Assembly (EAA).

We look forward to welcome you in Denmark
